Illumination

The Story of the King James Bible

Monday 18th April - Sunday 23rd October

This year sees the 400th anniversary of the translation of the King James Bible. There have been few more important single publications and its impact through history has been colossal. We have therefore taken this celebration as our theme for the Artspace programme this year.

Monday 18th April at 6.00pm

Opening Reception

The Illumination Exhibition tells the story of the King James Bible in its historical context and explains the importance of the text today. The focus of the exhibition is a first edition 1611 King James Bible together with a 1605 copy of a Geneva Bible and our own 1616 King James Bible.

Please stay with us for the first of our Holy Week Meditations

Monday 18th - Wednesday 20th April at 7.30pm

Holy Week Meditations

At the three Holy Week Eucharist services Bishop David Smith, a former Bishop of Bradford, chooses some of his favourite passages from the King James Bible to reflect on the Passion story.

Please pick up the new Artspace flyer for full details of the exhibition and the programme of supporting events.

CHAT

Care and Hospitality at Thornton

CHAT takes place at Phoenix House - the Asylum Court for asylum seekers in the North of England - and is part of BEACON (Bradford Ecumenical Asylum Concern). On Tuesday and Wednesday mornings between 10am and 12noon three volunteers serve refreshments to those waiting for their cases to be called. Some appellants have travelled quite a distance, have little or no English, and are often faced with a long wait before their case is heard. Could you help us by joining our volunteer team?

It's not an onerous job and can be most rewarding as people often express surprise and gratitude for what they see as an act of kindness. Staff also welcome us and usually give a donation! It is valuable outreach for the churches involved and we are looking at the possibility of extending the service to other days. Some of our volunteers come from some distance away and combine a monthly visit with a trip to Bradford or Leeds.

If you may be able to volunteer, please come to our coffee morning at **10am to 12noon on Wednesday 4th May** at **Thornbury Methodist Church** (Leeds Old Road, BD3 8JS). Whether you are already supporting this work or think you may be able to help us, you are very welcome to come and find out more.

Please contact Kathryn Larrad at kathlarrad@yahoo.co.uk

Thank you

THE ABIGAIL HOUSING DESTITUTION PROJECT

We have just heard that one of the project's residents has been granted leave to remain in the UK. This is wonderful news and will make such a difference to her life. At the moment we particularly need black bin liners, furniture polish, shower gel and toothpaste. Food items that are a priority are tomato ketchup, tinned tomatoes, long life milk and tuna, mackerel or other tinned fish. Many thanks.

Anne Hebden & Maggie Peel

MEDICINES

Unopened and well in-date tablets, creams and vitamins can now be sent to benefit people in Africa - where healthcare is minimal - via Intercare (www.intercare.org.uk/donate-medicines) or see Jane Tarver who can take them to her local collecting point. Look out for the Intercare facility at **your** local chemist or doctors.

HELP STAMP OUT LEPROSY ... and other ways to help

The Leprosy Mission's new slogan is aimed to encourage people to trim commemorative and foreign stamps from letters and recycle them to raise funds - to help eradicate leprosy and care for sufferers. The Leprosy Mission raised £75,382 in 2010 through its philatelic wing. **We have a little box (decorated with stamps) on the shelves at the back of the South Aisle as our receptacle.** Please save only the less common stamps and trim them with about 5mm around, or soak them off, or rescue collections which the owner no longer wants! (Please note we have now LOST our outlet for everyday 1st and 2nd class stamps). Also, **ALL POSTCARDS**, used or unused, are sold in aid of our link diocese in Khartoum to buy basics for their work in the church and community. Over £7000 was sent last year. Please leave postcards in the letter rack or Cathedral Office.

Thank you for donating 89 pairs of glasses during 2010!! The box for your old **SPECTACLES** is alongside the stamps box. Glasses, with or without cases, are needed in the Third World countries where little healthcare provision is available.

CATHEDRAL CHOIR

There is more to being a member of a choir than singing. The social and educational benefits of choral singing is now widely documented. Did you know that when you sing every part of your brain is stimulated!

The boys and girls of the Choir are from all areas of Bradford and beyond, and are drawn from over twenty local schools. Participation in services and concert performances is a culmination of many hours of dedicated preparation and hard work by the Choir who, along with the adult members, provide an enriching musical contribution to worship every week at the Cathedral. The Choir also take choral music out to churches and venues in the Bradford area and beyond.

Choir practice take place (during term time) on different days during the week for the various sections of the Choir. The main time for new members is Tuesday evening at 4pm (boys) and Saturday morning at 9.30am (girls). Full Choir practice is at 6.45pm on Thursday evenings.

New members of the Choir are always welcome and enquiries, from individuals or schools, should be made to the Cathedral Office or Mr Andrew Teague to arrange an initial visit.
